WORK EXPERIENCE

Frontend Engineer
Eywa Solutions Pvt. Ltd.

02/2024 - Present   *Pune, India*

Web Development - Intern
LetsGrowMore

02/2022 - 07/2022

Tech Stack: React.js, Tailwind CSS, Next.js, Firebase

Tasks

- I worked as a Web Development Intern, created a Student Enrollment list and To-do list using HTML, CSS and JS

PERSONAL PROJECTS

EV Charging Station Finding App (Flutter, Firebase)
- Built an app that allows the user to search for an EV charging station, provide a roadmap by entering the source and destination

GitHub Public Information Card (React.js, Tailwind CSS)
- I developed an application that displays a GitHub user's public information in a stylish card UI by fetching data through the GitHub API based on a provided username
- https://vinod-kumar-github-public-information.vercel.app/

Pomodoro Timer App (Next.js, Firebase, Tailwind CSS)
- The app follows the Pomodoro technique, offers secure email and password login through Google authentication via Firebase
- https://vinod-kumar-pomodro-timer-app.vercel.app/

News Application Development (Angular, Firebase)
- Developed a dynamic news application and displayed a feed of news articles contributed by all users. Features secure user authentication and CRUD operations for news articles
- https://news-app-eta-ruddy.vercel.app/news
